Customer Reviews

The book is ok, it is helpful, just wish it was in more of a laymen's term book, for those of us who are changing from an entirely different career to this one.There are quite a few expectations of items that are to be understood, that aren't if you are just starting in this business.

Very useful materials from a well-known and respected real estate educator who has developed numerous real estate courses. Perfect resource for both salesperson and broker candidates. Complete content outlines for each national licensing exam.
