Take A Closer Look: A Spiritual Journey Into The Soul

Synopsis

This book contains inspirational and encouraging thoughts for all readers to enjoy. This book also contains a brief interpretation of each poem to help guide readers in their understanding. These thoughts will make a wonderful collection for anyone who is searching for the right path, for love in our difficult age. My hope is that each reader will find their own meaning in these poems to help and guide them. May the glory of God touch each person's heart and bring you as much enjoyment as I experienced when writing these thoughts.

Customer Reviews

This compilation of poetry takes the reader indeed on a spiritual journey. The poems are a collection that reflect on the spiritual nature of love and our experiences in trying to find and come closer to God. An enjoyable read!

This book has touched me deeply, it made me realize that my walk with God, is not as close as I thought it was. It brought tears in my eyes just by reading a few of the poems. It made me to Take a Closer Look!

Before opening the book the cover catches your attention and you want to Take a Closer Look. As you turn the pages you find you can't put the book down till the last page.

I am always interested in Christian books and I have the reviews for the book, but seen no description for it. However, I might be interested in the future to order the book.
