A Beginner's Guide To Reading Runes: Reading With Runes, Oracles Of Divination

Synopsis

Runes are a tool for divination and spiritual insight. Like other forms of divination, learning how to read Runes takes time and practice. It also takes trust – trust in your intuition and trust in your Higher Self to help bring the right messages at the time of the reading. In this book we will teach you how to read Runes for yourself, your family and friends through drawing on the traditional meanings of the Runes and connecting with your intuition. This book is devoted entirely to giving guidance on how to read Runes, giving the traditional meanings of the Runes and using images, example readings and fun exercises to help you link intuitively with the symbols. We are very excited to share this unique way of learning Runes that will help you quickly develop and heighten your Rune-reading skills. If you have always been fascinated by these magical divination stones but have struggled with understanding their meanings or if you want to deepen your Rune-reading skills, this is the book for you.
