Customer Reviews

Well, when I got this set of cards, I thought I was getting a funky sort of uplifting set of note cards. Forgive me for being naive, but I wasn't aware they were religious cards. I probably would have guessed it, however, if in the pictures they included one of the OTHER design, which is a Menorah(?) Forgive me, I'm not Jewish, or religious at all, so I was a bit thrown off. This note card set, to me, is miss-represented, and to be honest... The pictures on look a whole lot better than the actual note cards themselves. The reason why I gave four stars is this would probably be a beautiful set of cards for a person who is Jewish. And in all fairness, the cards are of good quality, and the box they came in is really beautiful, however, the pictures just weren't that great of quality. But, for a little over \$5, I'm not complaining. I gave them away as gifts and made other people happy.
