The Forest Speaks: Book 1 Awakening The Rose

Synopsis

Meet Jedda Delaney, a rather average teenage girl living a fairly normal and uneventful high school life. Until one morning, that is, when she awakens from a not-so-normal dream about a timeless and otherworldly place. This place is the Forest where magic and enchantment are commonplace, and possibilities are beyond the wildest imagination. But it was just a dream...or was it? Join Jedda in *Awakening the Rose* as she embarks on an incredible journey of awakening - a path that requires only one thing: that she remembers something that lies buried and forgotten in the farthest depths of her own heart.

I LOVED this book. Ms. D'Agostino wove a fabulous magical story which opened my mind to the possibilities of the realms beyond and my heart to her wonderful curious characters. I see now that her second book is out. Ordering it now. Can't wait to see what unfolds. Thank you Ms. D'Agostino for a new adventure in reading for children and adults of all ages.

I've purchased the book for my 10 year old daughter; she loves to read anything that has fairies and magic, but I end up reading it myself | I've loved it, so did my daughter, it is a great book for any age.

This book is magical...so magical it will move your soul and capture your heart! Diomira D'Agostino weaves several unique characters together in one beautiful, enlightening tale that will leave you wanting more. I'm so happy I read this, and on edge waiting for book 2!

Diomira has woven adventure, mystery, love and intrigue into a delightful and magical tale. May all who read it feel inspired to awaken the rose within their hearts and embrace their own path of self-remembering. Rev. Katy McManus

OH my! You must read this if you are a lover of magic, fey, and fantasy! Diomira writes from her soul, and the message speaks to yours. Did I say "fantasy"? Probably more of reality....what is really reality...than fantasy.Wonderful can't wait for book 2!

Wonderful story to open the memories of the truth within us all.
