A Pocket Style Manual, 2016 MLA Update Edition

Synopsis

THIS TITLE HAS BEEN UPDATED TO REFLECT THE 2016 MLA UPDATES! Our editorial team has updated this text based on content from The MLA Handbook, 8th Edition. Browse our catalog or contact your representative for a full listing of updated titles and packages, or to request a custom ISBN. Your students need clear, complete answers to their questions about research, writing, and grammar—and they often need them at a moment's notice. As their teacher, you are their greatest resource, but you can't be available 24/7. For help with work in class and at home and especially for questions at odd hours, students can turn to A Pocket Style Manual. The thoughtfully revised seventh edition makes it even easier for students to effectively and independently address their writing and research challenges. With 325 documentation models in four styles and coverage of drafting thesis statements, writing correctly and effectively, finding and evaluating sources, and writing research papers, A Pocket Style Manual supports writers across the disciplines.
