# Islam: The Basics

## Synopsis

Now in its second edition, Islam: The Basics provides an introduction to the Islamic faith, examining the doctrines of the religion, the practises of Muslims and the history and significance of Islam in modern contexts. Key topics covered include: the Qur'an and its teachings the life of the Prophet Muhammad gender, women and Islam Sufism and Shiâ™ism Islam and the western world non-Muslim approaches to Islam. With updated further reading, illustrative maps and an expanded chronology of turning points in the Islamic world, this book is essential reading for students of religious studies and all those new to the subject of Islam.

Average Customer Review: 4.0 out of 5 stars See all reviews (7 customer reviews)

Best Sellers Rank: #292,349 in Books (See Top 100 in Books) #118 in Books > Textbooks > Humanities > Religious Studies > Islam #404 in Books > Reference > Encyclopedias & Subject Guides > Religion #737 in Books > Religion & Spirituality > Islam

## Customer Reviews

Turner wrote something very insensitive about 9/11 in the second half of the book (something about how it would have "smacked of delicious irony" but for how tragic it was). Further, Turner makes a conclusion about the spread of Islam that ignores a vast array of facts and contradicts other passages in his own book. If you want to learn about Islam, you should look at a different book. Almost anything, I'm sure, would be better than this one. I second the suggestion in an earlier review that someone interested in learning about Islam is better served by looking at Wikipedia than buying this book.

While ISLAM: THE BASICS joins others in the basics series, it's a powerful stand-alone pick for any collection, college-level, high school or public library, providing all the basics on key areas from the

Koran and women in Islam to key dates, ideas, and Islam culture. From social life and practice to spirituality, ISLAM: THE BASICS provides a solid foundation for understanding.Diane C. DonovanCalifornia Bookwatch

Came before the estimated delivery. Just as described.

I recommend this to anyone looking to learn just the basics about Islam.
