Macroeconomics: Private And Public Choice (MindTap For Economics)

Synopsis

MACROECONOMICS: PRIVATE AND PUBLIC CHOICE, Fifteenth Edition, reflects current economic conditions, enabling you to apply economic concepts to the real world. The up-to-date text includes analysis and explanation of measures of economic activity in today's market. It also includes highlights of the recession of 2008-2009, and an in-depth look at the lives and contributions of notable economists. MACROECONOMICS: PRIVATE AND PUBLIC CHOICE dispels common economic myths. The text uses the "invisible hand" metaphor to explain economic theory, demonstrating how it works to stimulate the economy. The fifteenth edition includes online learning solutions to improve your learning outcomes. Graphing tutorials and videos embedded within the interactive reader support your classroom work and improve your performance.

Customer Reviews

I mean, it's an overpriced college book, that I opened once a week. Did it have content that pertained to the class? Yes. Was it two weeks pay? Yes. But it functioned as described, and I was able to pass Macroeconomics because of it.

Item description was 'acceptable' and I received a water damaged book with an enormous slit on 1/2 of the cover and extreme wear on the entirety of the book

Came in good conditions. Concepts well explained plus website to help you review the material and prep! Recommend!

Great book! I read it for my Macroeconomics class and it had great explanations

It's was in great condition!!!

Fast Delivery. Perfect. Thanks

Great book
