# Our Love Is Our Power: Working With The Net Of Light That Holds The Earth

## **Synopsis**

The Grandmothers are here. The Great Council, representing all cultures and races, has come to return the earth to balance, to restore the Feminine Principle, and bring the energies of yin and yang into harmony with one another. "We will do this work primarily through individual women," the Grandmothers say. "Women are the natural reservoirs of Yin for this planet and because the energies on earth are now shifting radically, women must lead. It can be no other way." Our Love Is Our Power chronicles the author's adventures with the Great Council of the Grandmothers as these wise women teach her how to infuse herself and the planet with the long absent energy of the Feminine Principle. The adventure with the Grandmothers continues. Our Love Is Our Power begins where Sharon McErlane's first book, A Call to Power: the Grandmothers Speak, left off.

Sharon's second book of her encounters with the Great Council of the Grandmothers is even more powerful than the first! At this point many women and men have gathered together all over the world with The Grandmothers. Of special note is the exercise they gave for us to enter into contact with them and our animal guides without making a 'shamanic journey' which need training. By entering the Grandmothers' Stone Circle it becomes safe and easy to ask them for their advice or to bring our animal guide to us to share its wisdom.

Sharon's first book (A Call To Power) was great but this book is FANTASTIC! It is so easy to read and makes so much sense. It spoke directly to my heart and my heart said, "YES, This Is The Way

It Is SUPPOSE To Be!!" I don't know how the Grandmothers can top this book but I am sincerely hoping there will be more advice coming to us through Sharon.

Author Sharon McErlane's book that followed "A Call to Power" is a MUST READ. Imagine a humble group of kind folks that feel 'called' by Angels, no matter what religion or culture, in such times. Read these books, they are the truth at last, and we are the ones we have been waiting for.

WITHIN THE WRITINGS WHICH APPEAR AS IF TAKEN OUT OF HER JOURNAL, SO BEING NOT A LINEAR TAIL TO BE READ, ARE REVEALED MANY INSPIRING GEMS OF INSPIRATION AND SUBSTANCE TO INCLUDE IN ONES MEDICINE BAG FOR NAVIGATING AND HOLDING THE SPACE WITHIN THE TIMES WE ARE WITH.....MAY ALL LIFE GROOVE.....

Our Love is Our Power is a rich practical guide to claiming and living the beauty/power that the Grandmothers tell us is the true nature of every woman. Our study circle is benefitting tremendously from studying this inspiring book.

Holds all the information I ever wanted to hear. So grateful the Grandmothers are here and available to us all. Such powerfully healing information in this message.

This book is excellent. It made so much sense to me in my interpretation of what is happening in our world. It has changed a part of me forever and opened a deeper appreciation of my Ancient Ones and my love for God/Goddess All that Is.
